YOUR CHURCH NEEDS YOUR HELP!

There are a few things that I would like to see happen in our church. I need a few people to be willing to take on the responsibility of a few ministry opportunities.

1. Education Director: This person would communicate with all teachers and me about curriculums to be used in their classes. This person would need to stay up to date with the resources available in order to make suggestions when needed. This person would also be responsible to order material and distribute it to the teachers.

2. Social Media and Website Director: Social media is where we can be the most visible to the community. This person would keep FBC active on all social media platforms by posting pictures, videos, events, etc. Also, would be responsible to keep the website up to date.

3. Photographer/ Videographer: In order to keep our social media active, we must have content to post. This person would take pictures and videos, edit them, and work with the social media director to get them out into social media land. This person would need to get pictures and video of everything that we do as a church: Sunday morning worship, Wednesday Bible Studies, outreach events, Jiu Jitsu ministry, etc.

If you have a desire to serve in these areas, please contact me. I will work to get everything you need to be successful in your service to the Lord. Remember, this is not something that you will have to do alone. You can form a team.

Thank you so much for your consideration. I pray to have these ministries up and going by August.
