WEEK OF PRAYER

"And He said to them," Go into all the world and proclaim the gospel to the whole creation." Mark 16:15. Jesus said... For 2,000 years that's been the opening line to history's most powerful stories. Anytime someone has crossed a street, a continent or an ocean to "proclaim the gospel to the whole creation," the decision to do so has always begun with "Jesus said".... It may be easy to read the Great Commission and imagine lost people in far-off places. But people who have never heard of Jesus are also everywhere in North America. Our missionaries are sharing the gospel with Ethiopians in Colorado (50,000), Venezuelans in Virginia and fostering families in Florida.

You can follow them and other missionaries to communities where up until now, Jesus has not been known, by taking the prayer guides from the chair pockets in the worship center. Learn about the amazing work our Lord is doing through our North American missionaries.
